Project Description/Justification:**Community Services Block Grants:**

This program provides funding to reduce and/or prevent poverty through community based educational activities which lead to a greater degree of self-sufficiency.

As authorized by federal Public Law 97-35, throughout the United States, the federal Department of Health and Human Services (HHS) has designated 950 Community Action Agencies (CAAs) - all of whom may then receive federal funding that passes-through the appropriate state agency. Within Alaska, HHS has designated only one CAA, the non-profit corporation Rural Alaska Community Action Program (RurAL CAP).

RurAL CAP's mission is to protect the heritage of, while also improving the quality of life for, low income rural Alaskans. This is accomplished through educational programs such as alcohol and drug abuse prevention programs, fetal alcohol syndrome prevention programs, and child development programs; adult training; affordable housing programs; advocacy for low-income individuals; and instruction on how to advocate for themselves.

This program has been in existence since 1965. HHS provides 100 percent of the funding. For FY2017, \$3 million in federal funding is anticipated.

Community Development Block Grants:

This program provides grants, not to exceed \$850,000, to municipalities for planning activities, infrastructure projects, and economic development which benefit low to moderate-income individuals.

This program has been in existence since 1983. The U.S. Department of Housing and Urban Development (HUD) provides funding, which ranges from \$3 to \$3.5 million annually with a state match of two percent. For FY2017, DCCED anticipates \$3 million in federal funding with a state match of \$60,000.

Summary of Anticipated Federal and GF Match Funding by Federal Agency:

HHS	\$3,000,000	\$0	\$3,000,000
