Project Description/Justification:

This project is anticipated to provide support for the following projects on the Tok Cutoff Highway:

Tok Cutoff - Milepost 75.6 Slana River Bridge Replacement

This project will replace the Slana River Bridge #0654 on the Tok Cutoff at MP 75.6. Inspection has determined that this bridge has the following deficiencies including transverse cracks in the asphalt, abutment #1 settlement and cracks, compression joint seal is crushed and covered with asphalt, and the far end right (NE) terminal end is damaged.
