Column Definitions

Adj Base (FY13 Adjusted Base) - FY2012 Management Plan less one-time items, plus FY2013 adjustments for position counts, funding transfers, line item transfers, temporary increments (IncT) from prior years, and additions for statewide items (risk management and most salary and benefit increases). The Adjusted Base is the "first cut" of the FY2013 budget; it is the base to which the Governor's and the Legislature's increments, decrements, and fund changes are added.

ConfComm (FY13 Conference Committee) - The FY2013 operating budget as approved by the Conference Committee on the Operating and Mental Health appropriation bills. The column does not include fiscal notes, special legislation or reappropriations. Appropriations in the language sections of the FY2013 operating budget bills are included in the Conference Committee column.
