The Office of Information Technology (OIT) supports staff through billable rates charged to state agencies. This increase supports the portion of OIT salary adjustments, agreed to through the GGU and SU contract negotiations, that will be billed to executive branch agencies. Agencies pay the billable rates to OIT through a variety of fund sources, this increment has been adjusted down to remove the portion of rates that will be paid through non-general fund sources.

<p>The Alaska Department of Labor and Workforce Development (DOLWD) will serve as the lead agency role in supporting the Trust's efforts to advance health workforce data systems in Alaska and to develop tools and analyses to better understand and monitor workforce issues relevant to Trust beneficiaries. In the past, the Trust has worked with partner agencies to produce a biannual health care workforce profile and needs assessment. In response to feedback and analysis of the previous efforts, this year's efforts will continue to establish capacity within the DOLWD to produce regular and current workforce data analysis by the hiring of staff with dedicated time to addressing health/behavioral health related workforce analysis and reports. Instead of relying on a single point in time survey and other static data, DOLWD will investigate new data sources and develop a plan to make timely data on health care occupations readily available to interested parties on an ongoing basis. The goal of developing this capacity is to provide a continuous picture of Alaska's health care workforce and support identification of priority areas for intervention from the workforce development system.</p>

The Alaska Technical and Vocational Education Program (TVEP), established under AS 23.15.830, provides non-competitive grants to institutions that are part of a statewide vocational training system. Institutions provide technical and vocational training programs that align with workforce demands.

The Department of Labor and Workforce Development (DOLWD) manages the TVEP administration, including projecting available revenue for distribution. DOLWD's proposal for the TVEP distribution in the FY2020 Governor's Budget assumes increased TVEP revenue in FY2020 based on actual revenue collections to date. An overall adjustment of \$1,539.6 is needed, bringing the total available for distribution to \$12,487.1.

The Workforce Development component grants TVEP funding to select institutions prescribed in AS 23.15.835(d). They are as follows:

Alaska Technical Center will receive \$1,123.8, or nine percent, of total receipts available.

Amundsen Educational Center will receive \$249.7, or two percent, of total receipts available.

Ilisagvik College will receive \$624.4, or five percent, of total receipts available.

Northwestern Alaska Career and Technical Center will receive \$374.6, or three percent, of total receipts available.

Partners for Progress in Delta, Inc., will receive \$374.6, or three percent, of total receipts available.

Southwest Alaska Vocational and Education Center will receive \$374.6, or three percent, of total receipts available.

Yuut Elitnaurviat, Inc. People's Learning Center will receive \$1,123.8, or nine percent, of total receipts available.

Social Security Administration Reconsideration Process	20GovAmdTOT	Inc	520.0	20.0	0.0	367.5	0.0	0.0	132.5	0.0	0	0	0
Increased federal receipt authority is needed to cover increased expenditures associated with the Social Security Administration's (SSA) new reconsideration process. Disability Determination (DD) staff adjudicate claims for individuals applying for Social Security benefits under Title II and Title XVI of the Social Security Act. The SSA is restoring uniformity to the SSA administrative review process by reinstating the reconsideration level of review.													
SSA has approved the hire of additional DD staff and increased office space to implement this change in claim processing. There will also be other increased costs such as higher medical consultation costs as claims are reconsidered, and increased benefit costs as claimants are required to travel for medical consultations. All increased costs will be funded by the SSA.
